

Distribution networks being created by Asian gangs in communities.

Creation of legitimate businesses in the U.S. to cover up smuggling, contraband and money laundering.

Expedited truck inspections "to keep substantial backup of trucks from regularly occurring."

The cartels' reach extends well beyond the streets and people of Nuevo Laredo and the border, however.

On Dec. 12, newly elected President Felipe Calderón sent more than 6,500 troops to Michoacán, where the Port of Lázaro Cárdenas is located, in an effort to get a handle on the growing violence.

Calderón also transferred 10,000 troops from the army and navy to the federal police force on Dec. 13, the largest move against narcotics traffickers since his predecessor, former President Vicente Fox, sent nearly 1,000 troops to Nuevo Laredo to squelch a drug war that has killed more than 3,000 people across the country during the past two years.

Calderón may have learned how deadly dealing with the cartels can be. First Lady Margarita Zavala, Calderón's wife, lost her cousin, Luis Felipe Zavala, on Dec. 12 when gunmen open fired on his SUV in Mexico City.

According to DEA intelligence officials, Zavala's assassination was retaliation for Calderón's promise to take down Mexico's drug kingpins. "It was an assassination of opportunity," said one DEA intelligence official who requested anonymity. "... It was directly related to Calderón's move into Michoacán."

However, Mexico's attorney general, Eduardo Medina Mora, told reporters the incident was a coincidence.

"There is at this time no indication ... that would suggest or make us guess that this unfortunate event was related to the Mexican government's efforts against organized crime," he told reporters at a press conference a day after the killing.

Since the Sept. 11, 2001, attacks, the Department of Homeland Security has tried to beef up security along the border. Officials say new technologies radiation portal monitors, hand-held radiation detectors and X-ray machines assist front-line agents in detecting dangerous materials that may be in trucks at ports of entry.

U.S. Customs and Border Protection spokesman Pat Jones said striking a balance between increased traffic and inspections is challenging. New programs implemented by the Department of Homeland Security have assisted in better checks at ports of entries along the southwest border, he said.

"It may be possible to improve the flow of legitimate trade and improve security," Jones said. "Prior to 9/11, the thought was that if you improve security, you're going to slow down cargo trade. We've learned that if you actually could identify and separate the risk-free cargo, the flow of cargo could be expedited."

But once the illegal cargo finds its way into the U.S., there's little law enforcement can do.

Laredo police can barely keep up with the violence spilling into their community from their sister city across the border. Sheriff Flores said growing violence and corruption in Mexico is spilling into the U.S. and becoming increasingly difficult to manage.

"The cartels have more power, money and weaponry than we do," he said. "The cartels know how to get their narcotics across the (World Trade) bridge. They're not afraid to lose some of their loads; they expect it. The risk is worth it because the possibility of getting caught is minimal, at best."

THE IRAQ WAR

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from California (Ms. WATERS) is recognized for 5 minutes.

Ms. WATERS. Mr. Speaker and Members, tonight the President of the United States will address a joint session of Congress to offer his assessment of the state of the Union. He is expected to spend a lot of time talking about domestic issues and will reportedly spend some time on the war on terror. However, very little, if any, of his State of the Union address will discuss the war in Iraq.

Ladies and gentlemen, the President of the United States has bungled the management of this war, and he certainly needs to explain further why he feels that escalation will suddenly turn the situation in Iraq around. The reality is that escalation will not bring us success. The President pushed forward against the advice of many Members of Congress, the joint chiefs of staff, and many experts in and outside of government. Even the Iraqi Prime Minister did not want more U.S. troops sent to his country.

Since Friday, January 19, 2007, 27 members of our armed services have died in Iraq. These deaths bring the total number of U.S. servicemembers that have died in Iraq since the war in Iraq began to 3,029. More than 22,000 others have been seriously injured.

The insurgent attacks against the United States military have become more and more brazen. In one of the attacks over the past weekend, insurgents wore uniforms that looked like official U.S. uniforms and used vehicles that the U.S. and Iraqi officials use. According to press accounts, Iraqi guards at a government compound allowed several vehicles traveling in a caravan through checkpoints because they were wearing what appeared to be legitimate U.S. military uniforms and driving cars commonly used by foreigners. Once the insurgents were inside the compound, they attacked and killed five of our troops. Witnesses say that the attackers targeted only U.S. servicemembers and not the Iraqis who were in the room. Elsewhere in Iraq, 12 Americans were killed when their Blackhawk helicopter was attacked, and 10 others were killed in fire fights with insurgents.

Mr. Speaker, Iraq is in a civil war. The level of violence is growing each day, and increasingly our troops are caught in the middle of it. By adding more troops, as the President plans to do, we will only increase the risk of more U.S. deaths and injuries.

Nearly everyone agrees that the war will not be won through military means. Instead, there is general agreement that stability in Iraq and the Middle East will only come about through intense diplomatic efforts.

The President's Iraq policy has failed. Sending more troops to Iraq will only make the situation worse. As the saying goes: when you find yourself in

a hole, stop digging. Mr. President, I would urge you to stop digging and bring our troops home.

Ladies and gentlemen, this is what bothers me about what is happening in Iraq. Our military, our troops don't know a Sunni from a Shiite from a Kurd. They are with Iraqi soldiers who don't like them oftentimes, who desert us when there is a confrontation, and who undermine us. There are those who believe that the way that the insurgents got into the compound was they were allowed in there by Iraqi soldiers.

How can we win in the middle of a civil war? We can't win. It is time for the President of the United States to come up with a reasonable exit plan. We have not asked, and nobody is saying, Quick withdrawal. Withdrawal in 24 hours. Some would make you believe we are saying that, but we are not. We are talking about a well thought through reasonable plan for getting out of Iraq. Some people would like to say, Oh, if you don't continue to support the President's request for additional funds, that you are deserting the soldiers. Not so.

And the Members of this Congress have got to have the courage to stand up and explain the difference between the sound bites and what those on the opposite side of this issue would describe as our efforts of getting the soldiers out and the truth. The truth of the matter is we all know there is enough money in the pipeline to credibly come out of Iraq in a timely way.

PUBLICATION OF THE RULES OF THE COMMITTEE ON ARMED SERVICES, 110TH CONGRESS

The SPEAKER pro tempore. Under a previous order of the House, the gentleman from Missouri (Mr. SKELTON) is recognized for 5 minutes.

Mr. SKELTON. Madam Speaker, In accordance with clause 2 of rule XI of the Rules of the House, I respectfully submit the rules of the Committee on Armed Services for printing in the CONGRESSIONAL RECORD. On January 10, 2007, the Committee on Armed Services adopted by a unanimous vote, a quorum being present, the following rules:

RULES OF THE COMMITTEE ON ARMED SERVICES, 110TH CONGRESS

RULE 1. APPLICATION OF HOUSE RULES

The Rules of the House of Representatives are the rules of the Committee on Armed Services (hereinafter referred to in these rules as the "Committee") and its subcommittees so far as applicable.

RULE 2. FULL COMMITTEE MEETING DATE

(a) The Committee shall meet every Wednesday at 10 a.m., when the House of Representatives is in session, and at such other times as may be fixed by the Chairman of the Committee (hereinafter referred to as the "Chairman"), or by written request of members of the Committee pursuant to clause 2(c) of rule XI of the Rules of the House of Representatives.

(b) A Wednesday meeting of the Committee may be dispensed with by the Chairman, but such action may be reversed by a written request of a majority of the members of the Committee.

RULE 3. SUBCOMMITTEE MEETING DATES

Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the Committee on all matters referred to it. Insofar as possible, meetings of the Committee and its subcommittees shall not conflict. A subcommittee Chairman shall set meeting dates after consultation with the Chairman, other subcommittee Chairmen, and the Ranking Minority Member of the subcommittee with a view toward avoiding, whenever possible, simultaneous scheduling of committee and subcommittee meetings or hearings.

RULE 4. JURISDICTION AND MEMBERSHIP OF COMMITTEE AND SUBCOMMITTEES

In addition, the subcommittee will be responsible for Special Operations Forces; science and technology policy, including the Defense Advanced Research Projects Agency and information technology programs; force protection policy and oversight; homeland defense and consequence management programs within the committee's jurisdiction; and related intelligence support.

Subcommittee on Seapower and Expeditionary Forces: Navy and Marine Corps programs (except strategic weapons, space, special operations and information technology programs) and Naval Reserve equipment. In

addition, the subcommittee will be responsible for Maritime programs under the jurisdiction of the Committee as delineated in rule X, clauses 5, 6, and 9 of the Rules of the House of Representatives.

Subcommittee on Oversight and Investigations: Any matter within the jurisdiction of the Committee, subject to the concurrence of the Chairman of the Committee and, as appropriate, affected subcommittee chairmen. The subcommittee shall have no legislative jurisdiction.

(b) Membership of the Subcommittees

(1) Subcommittee memberships, with the exception of membership on the Subcommittee on Oversight and Investigations, shall be filled in accordance with the rules of the Majority party's caucus and the Minority party's conference, respectively.

(2) The Chairman and Ranking Minority Member of the Subcommittee on Oversight and Investigations shall be filled in accordance with the rules of the Majority party's caucus and the Minority party's conference, respectively. Consistent with the party ratios established by the Majority party, all other Majority members of the subcommittee shall be appointed by the Chairman of the Committee, and all other Minority members shall be appointed by the Ranking Minority Member of the Committee.

RULE 5. COMMITTEE PANELS AND TASK FORCES

(a) Committee Panels

(1) The Chairman may designate a panel of the Committee consisting of members of the Committee to inquire into and take testimony on a matter or matters that fall within the jurisdiction of more than one subcommittee and to report to the Committee.

(2) No panel appointed by the Chairman shall continue in existence for more than six months after the appointment. A panel so appointed may, upon the expiration of six months, be reappointed by the Chairman for a period of time which is not to exceed six months.

(3) Consistent with the party ratios established by the Majority party, all Majority members of the panels shall be appointed by the Chairman of the Committee, and all Minority members shall be appointed by the Ranking Minority Member of the Committee. The Chairman of the Committee shall choose one of the Majority members so appointed who does not currently chair another subcommittee of the Committee to serve as Chairman of the panel. The Ranking Minority Member of the Committee shall similarly choose the Ranking Minority Member of the panel.

(4) No panel shall have legislative jurisdiction.

(b) Committee and Subcommittee Task Forces

(1) The Chairman of the Committee, or a Chairman of a subcommittee with the concurrence of the Chairman of the Committee, may designate a task force to inquire into and take testimony on a matter that falls within the jurisdiction of the Committee or subcommittee, respectively. The Chairman and Ranking Minority Member of the Committee or subcommittee shall each appoint an equal number of members to the task force. The Chairman of the Committee or subcommittee shall choose one of the members so appointed, who does not currently chair another subcommittee of the Committee, to serve as Chairman of the task force. The Ranking Minority Member of the Committee or subcommittee shall similarly appoint the Ranking Minority Member of the task force.

(2) No task force appointed by the Chairman of the Committee or subcommittee shall continue in existence for more than three months. A task force may only be re-

appointed for an additional three months with the written concurrence of the Chairman and Ranking Minority Member of the Committee or subcommittee whose Chairman appointed the task force.

(3) No task force shall have legislative jurisdiction.

RULE 6. REFERENCE AND CONSIDERATION OF LEGISLATION

(a) The Chairman shall refer legislation and other matters to the appropriate subcommittee or to the full Committee.

(b) Legislation shall be taken up for a hearing or markup only when called by the Chairman of the Committee or subcommittee, as appropriate, or by a majority of those present and voting.

(c) The Chairman, with approval of a majority vote of a quorum of the Committee, shall have authority to discharge a subcommittee from consideration of any measure or matter referred thereto and have such measure or matter considered by the Committee.

(d) Reports and recommendations of a subcommittee may not be considered by the Committee until after the intervention of three calendar days from the time the report is approved by the subcommittee and available to the members of the Committee, except that this rule may be waived by a majority vote of a quorum of the Committee.

RULE 7. PUBLIC ANNOUNCEMENT OF HEARINGS AND MEETINGS

Pursuant to clause 2(g)(3) of rule XI of the Rules of the House of Representatives, the Chairman of the Committee, or of any subcommittee, panel, or task force shall make public announcement of the date, place, and subject matter of any hearing before that body at least one week before the commencement of the hearing. However, if the Chairman of the Committee, or of any subcommittee, panel, or task force, with the concurrence of the respective Ranking Minority Member, determines that there is good cause to begin the hearing sooner, or if the Committee, subcommittee, panel, or task force so determines by majority vote, a quorum being present for the transaction of business, such chairman shall make the announcement at the earliest possible date. Any announcement made under this rule shall be promptly published in the Daily Digest, promptly entered into the committee scheduling service of the House Information Resources, and promptly posted to the internet web page maintained by the Committee.

RULE 8. BROADCASTING OF COMMITTEE HEARINGS AND MEETINGS

Clause 4 of rule XI of the Rules of the House of Representatives shall apply to the Committee.

RULE 9. MEETINGS AND HEARINGS OPEN TO THE PUBLIC

(a) Each hearing and meeting for the transaction of business, including the markup of legislation, conducted by the Committee, or any subcommittee, panel, or task force, to the extent that the respective body is authorized to conduct markups, shall be open to the public except when the Committee, subcommittee, panel, or task force in open session and with a majority being present, determines by record vote that all or part of the remainder of that hearing or meeting on that day shall be in executive session because disclosure of testimony, evidence, or other matters to be considered would endanger the national security, would compromise sensitive law enforcement information, or would violate any law or rule of the House of Representatives. Notwithstanding the requirements of the preceding sentence, a majority of those present, there being in attendance no fewer than two members of the Committee, subcommittee, panel, or task

force may vote to close a hearing or meeting for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security, would compromise sensitive law enforcement information, or would violate any law or rule of the House of Representatives. If the decision is to proceed in executive session, the vote must be by record vote and in open session, a majority of the Committee, subcommittee, panel, or task force being present.

(b) Whenever it is asserted by a member of the committee or subcommittee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness, notwithstanding the requirements of (a) and the provisions of clause 2(g)(2) of rule XI of the Rules of the House of Representatives, such evidence or testimony shall be presented in executive session, if by a majority vote of those present, there being in attendance no fewer than two members of the Committee or subcommittee, the Committee or subcommittee determines that such evidence may tend to defame, degrade or incriminate any person. A majority of those present, there being in attendance no fewer than two members of the Committee or subcommittee may also vote to close the hearing or meeting for the sole purpose of discussing whether evidence or testimony to be received would tend to defame, degrade or incriminate any person. The Committee or subcommittee shall proceed to receive such testimony in open session only if the Committee or subcommittee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade or incriminate any person.

(c) Notwithstanding the foregoing, and with the approval of the Chairman, each member of the Committee may designate by letter to the Chairman, only one member of that member's personal staff, which may include fellows, with Top Secret security clearance to attend hearings of the Committee, or that member's subcommittee(s), panel(s), or task force(s) (excluding briefings or meetings held under the provisions of committee rule 9(a)), which have been closed under the provisions of rule 9(a) above for national security purposes for the taking of testimony. The attendance of such a staff member or fellow at such hearings is subject to the approval of the Committee, subcommittee, panel, or task force as dictated by national security requirements at that time. The attainment of any required security clearances is the responsibility of individual members of the Committee.

(d) Pursuant to clause 2(g)(2) of rule XI of the Rules of the House of Representatives, no Member, Delegate, or Resident Commissioner may be excluded from nonparticipatory attendance at any hearing of the Committee or a subcommittee, unless the House of Representatives shall by majority vote authorize the Committee or subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members, Delegates, and the Resident Commissioner by the same procedures designated in this rule for closing hearings to the public.

(e) The Committee or the subcommittee may vote, by the same procedure, to meet in executive session for up to five additional consecutive days of hearings.

RULE 10. QUORUM

(a) For purposes of taking testimony and receiving evidence, two members shall constitute a quorum.

(b) One-third of the members of the Committee or subcommittee shall constitute a quorum for taking any action, with the following exceptions, in which case a majority of the Committee or subcommittee shall constitute a quorum:

(1) Reporting a measure or recommendation;

(2) Closing committee or subcommittee meetings and hearings to the public;

(3) Authorizing the issuance of subpoenas;

(4) Authorizing the use of executive session material; and

(5) Voting to proceed in open session after voting to close to discuss whether evidence or testimony to be received would tend to defame, degrade, or incriminate any person.

(c) No measure or recommendation shall be reported to the House of Representatives unless a majority of the Committee is actually present.

RULE 11. THE FIVE-MINUTE RULE

(a) The time anyone member may address the Committee or subcommittee on any measure or matter under consideration shall not exceed five minutes and then only when the member has been recognized by the Chairman or subcommittee chairman, as appropriate, except that this time limit may be exceeded by unanimous consent. Any member, upon request, shall be recognized for not more than five minutes to address the Committee or subcommittee on behalf of an amendment which the member has offered to any pending bill or resolution. The five-minute limitation shall not apply to the Chairman and Ranking Minority Member of the Committee or subcommittee.

(b)(1) Members who are present at a hearing of the Committee or subcommittee when a hearing is originally convened shall be recognized by the Chairman or subcommittee chairman, as appropriate, in order of seniority. Those members arriving subsequently shall be recognized in order of their arrival. Notwithstanding the foregoing, the Chairman and the Ranking Minority Member will take precedence upon their arrival. In recognizing members to question witnesses in this fashion, the Chairman shall take into consideration the ratio of the Majority to Minority members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the members of either party.

(2) The Chairman of the Committee or a subcommittee, with the concurrence of the respective Ranking Minority Member, may depart with the regular order for questioning which is specified in paragraphs (a) and (b) of this rule provided that such a decision is announced prior to the hearing or prior to the opening statements of the witnesses and that any such departure applies equally to the Majority and the Minority.

(c) No person other than a Member, Delegate, or Resident Commissioner of Congress and committee staff may be seated in or behind the dais area during Committee, subcommittee, panel, or task force hearings and meetings.

RULE 12. POWER TO SIT AND ACT; SUBPOENA POWER

(a) For the purpose of carrying out any of its functions and duties under rules X and XI of the Rules of the House of Representatives, the Committee and any subcommittee is authorized (subject to subparagraph (b)(1) of this paragraph):

(1) to sit and act at such times and places within the United States, whether the House is in session, has recessed, or has adjourned, and to hold hearings, and

(2) to require by subpoena, or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, pa-

pers and documents, including, but not limited to, those in electronic form, as it considers necessary.

(b) (1) A subpoena may be authorized and issued by the Committee, or any subcommittee with the concurrence of the full Committee Chairman and after consultation with the Ranking Member of the Committee, under subparagraph (a)(2) in the conduct of any investigation, or series of investigations or activities, only when authorized by a majority of the members voting, a majority of the Committee or subcommittee being present. Authorized subpoenas shall be signed only by the Chairman, or by any member designated by the Committee.

(2) Pursuant to clause 2(m) of rule XI of the Rules of the House of Representatives, compliance with any subpoena issued by the Committee or any subcommittee under subparagraph (a)(2) may be enforced only as authorized or directed by the House of Representatives.

RULE 13: WITNESS STATEMENTS

(a) Any prepared statement to be presented by a witness to the Committee or a subcommittee shall be submitted to the Committee or subcommittee at least 48 hours in advance of presentation and shall be distributed to all members of the Committee or subcommittee as soon as practicable but not less than 24 hours in advance of presentation. A copy of any such prepared statement shall also be submitted to the Committee in electronic form. If a prepared statement contains national security information bearing a classification of secret or higher, the statement shall be made available in the Committee rooms to all members of the Committee or subcommittee as soon as practicable but not less than 24 hours in advance of presentation; however, no such statement shall be removed from the Committee offices. The requirement of this rule may be waived by a majority vote of the Committee or subcommittee, a quorum being present. In cases where a witness does not submit a statement by the time required under this rule, the Chairman of the Committee or subcommittee, as appropriate, with the concurrence of the respective Ranking Minority Member, may elect to exclude the witness from the hearing.

(b) The Committee and each subcommittee shall require each witness who is to appear before it to file with the Committee in advance of his or her appearance a written statement of the proposed testimony and to limit the oral presentation at such appearance to a brief summary of the submitted written statement.

RULE 14. ADMINISTERING OATHS TO WITNESSES

(a) The Chairman, or any member designated by the Chairman, may administer oaths to any witness.

(b) Witnesses, when sworn, shall subscribe to the following oath: "Do you solemnly swear (or affirm) that the testimony you will give before this Committee (or subcommittee) in the matters now under consideration will be the truth, the whole truth, and nothing but the truth, so help you God?"

RULE 15. QUESTIONING OF WITNESSES

(a) When a witness is before the Committee or a subcommittee, members of the Committee or subcommittee may put questions to the witness only when recognized by the Chairman or subcommittee chairman, as appropriate, for that purpose according to Rule 11 of the Committee.

(b) Members of the Committee or subcommittee who so desire shall have not more than five minutes to question each witness or panel of witnesses, the responses of the witness or witnesses being included in the

five-minute period, until such time as each member has had an opportunity to question each witness or panel of witnesses. Thereafter, additional rounds for questioning witnesses by members are within the discretion of the Chairman or subcommittee chairman, as appropriate.

(c) Questions put to witnesses before the Committee or subcommittee shall be pertinent to the measure or matter that may be before the Committee or subcommittee for consideration.

RULE 16. PUBLICATION OF COMMITTEE HEARINGS AND MARKUPS

The transcripts of those hearings and mark-ups conducted by the Committee, subcommittee, or panel will be published officially in verbatim form, with the material requested for the record inserted at that place requested, or at the end of the record, as appropriate. Any requests to correct any errors, other than those in transcription, or disputed errors in transcription, will be appended to the record, and the appropriate place where the change is requested will be footnoted. Any transcript published under this rule shall include the results of record votes conducted in the session covered by the transcript and shall also include materials that have been submitted for the record and are covered under Rule 19. The handling and safekeeping of these materials shall fully satisfy the requirements of Rule 20. No transcript of an executive session conducted under Rule 9 shall be published under this rule.

RULE 17. VOTING AND ROLLCALLS

(a) Voting on a measure or matter may be by record vote, division vote, voice vote, or unanimous consent.

(b) A record vote shall be ordered upon the request of one-fifth of those members present.

(c) No vote by any member of the Committee or a subcommittee with respect to any measure or matter shall be cast by proxy.

(d) In the event of a vote or votes, when a member is in attendance at any other committee, subcommittee, or conference committee meeting during that time, the necessary absence of that member shall be so noted in the record vote record, upon timely notification to the Chairman by that member.

(e) The Chairman of the Committee or a subcommittee, as appropriate, with the concurrence of the Ranking Minority Member or the most senior Minority member who is present at the time, may elect to postpone requested record votes until such time or point at a mark-up as is mutually decided. When proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, the underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

RULE 18. COMMITTEE REPORTS

(a) If, at the time of approval of any measure or matter by the Committee, any member of the Committee gives timely notice of intention to file supplemental, Minority, additional or dissenting views, that member shall be entitled to not less than two calendar days (excluding Saturdays, Sundays, and legal holidays except when the House is in session on such days) in which to file such views, in writing and signed by that member, with the staff director of the Committee. All such views so filed by one or more members of the Committee shall be included within, and shall be a part of, the report filed by the Committee with respect to that measure or matter.

(b) With respect to each record vote on a motion to report any measure or matter, and

on any amendment offered to the measure or matter, the total number of votes cast for and against, the names of those voting for and against, and a brief description of the question, shall be included in the committee report on the measure or matter.

RULE 19. PUBLIC INSPECTION OF COMMITTEE ROLLCALLS

The result of each record vote in any meeting of the Committee shall be made available by the Committee for inspection by the public at reasonable times in the offices of the Committee. Information so available for public inspection shall include a description of the amendment, motion, order, or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition and the names of those members present but not voting.

RULE 20. PROTECTION OF NATIONAL SECURITY INFORMATION

(a) Except as provided in clause 2(g) of Rule XI of the Rules of the House of Representatives, all national security information bearing a classification of secret or higher which has been received by the Committee or a subcommittee shall be deemed to have been received in executive session and shall be given appropriate safekeeping.

(b) The Chairman of the Committee shall, with the approval of a majority of the Committee, establish such procedures as in his judgment may be necessary to prevent the unauthorized disclosure of any national security information received classified as secret or higher. Such procedures shall, however, ensure access to this information by any member of the Committee or any other Member, Delegate, or Resident Commissioner of the House of Representatives, staff of the Committee, or staff designated under Rule 9(c) who have the appropriate security clearances and the need to know, who has requested the opportunity to review such material.

RULE 21. COMMITTEE STAFFING

The staffing of the Committee, the standing subcommittees, and any panel or task force designated by the Chairman or chairmen of the subcommittees shall be subject to the rules of the House of Representatives.

RULE 22. COMMITTEE RECORDS

The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with rule VII of the Rules of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of rule VII, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any member of the Committee.

RULE 23. HEARING PROCEDURES

Clause 2(k) of rule XI of the Rules of the House of Representatives shall apply to the Committee.

30-SOMETHING WORKING GROUP

The SPEAKER pro tempore. Under the Speaker's announced policy of January 18, 2007, the gentleman from Florida (Mr. MEEK) is recognized for half the time remaining before 5 p.m. as the designee of the majority leader.

Mr. MEEK of Florida. Mr. Speaker, it is an honor to address the House, and I can share with you on this day of the State of the Union we all look forward to hearing what the President/Com-

mander in Chief has to share not only with the country but the world, and we hope that he will bring words of wisdom and unity to the House floor. This will be the President's seventh opportunity coming to the floor to share with us the needs of the Nation. And I hope that he speaks on behalf of the entire Nation.

As you know, the 30-Something Working Group has been coming to the floor for the last 3 years sharing with the Members about what was going on under the Capitol dome and what wasn't going on under the Capitol dome. And we come today in the spirit of bipartisanship, Mr. Speaker, and I would also like to continue to highlight bipartisanship, because that is what the American people have called for and that is what we have delivered.

And when I say "we," I am saying a majority of the Members of the House of Representatives, and you can sprinkle in some Republican votes in achieving that. And I am glad that on a number of votes as relates to the Medicare prescription drug price negotiating, all Democrats on the floor voted for that, 24 Republicans voted for it, too. They voted with their constituents.

The Stem Cell Research Enhancement Act, just about all the Democrats on the floor voting on behalf, 216 with 37 Republicans joining us on that vote, it was 253, which is a good majority of the House voting in the affirmative. That is bipartisan.

The Fair Minimum Wage Act, Mr. Speaker, that passed on January 10, which was a recorded vote, there were 315 years in the affirmative, all Democrats on the floor at that time voted for it, 82 Republicans joined Democrats in voting on that bill together, Mr. Speaker.

Again, in the implementation of the 9/11 Commission recommendations, which we all know, Mr. Speaker, was a bipartisan piece of work by individuals that were appointed by the President, the leadership, and the House and Senate at that time, with two bipartisan chairmen, one Republican and the vice chair was Democrat, all Democrats on the floor voted, 231, and 68 Republicans. That brought that vote to 299.

I think it is important, Mr. Speaker, as we continue to move on and as we look at the student loan vote, as we look at a number of the votes that have come here to the floor, a great vote today as relates to pensions for those that step out of the line, Members of the House that step out of line and Members of the Senate, that their pensions will be on the line. Not one vote against that measure.

In that spirit, I know, on behalf of the Democratic side of the aisle, the Speaker, majority leader, Democratic whip, the chairman of our caucus, the vice chair of our caucus, and other elected leadership within the Democratic Caucus are looking to continue this bipartisan spirit that we have adopted here.
